Let's talk… about behaviour

with Tom Bassett Partnership Boards Transformation Manager, Norfolk County Council

Are you worried about the behaviour of your child with special educational needs and/or disabilities (SEND) and how to manage it? Are you looking for a new, positive approach?

In a friendly, relaxed online session, you will be able to:

- Hear what we mean by 'behaviour'
- Discover why do we do the things we do
- Learn about the ABC model
- Understand what changes our behaviour
- Ask your own questions
