

ERASMUS

CREATING OPPORTUNITIES FOR THE UK ACROSS EUROPE

Diss High is part of an ERASMUS Project with 6 European Schools

What is it?

- ▶ Erasmus is an incredibly exciting new project that everyone at Diss High will be involved in over the next 2 years.
- ▶ The project involves 7 schools from across Europe: Slovakia; Italy; Sicily; France; Greece; the Netherlands and us!
- ▶ The project theme is called “The Gate” and is going to focus on the key issues of Cultural Identity and Tolerance.
- ▶ We will come together as schools against any forms of racial and national discrimination and xenophobia and use the Arts to express these views.
- ▶ It will involve projects based on these themes in your lessons; trips and visits - some abroad; e-twinning with our partner schools and so much more!
