- * Your Head of Year and Form tutor will organise to keep in touch with individual / small groups of students during the allocated 'Tutor Time'. They may also set up a Google classroom for the whole Tutor group.
- * All lessons will last for **45mins** - this is to allow for the extra time it takes to set up an online lesson and to accommodate the different style of learning.
- * Where a session says '**Work Set**' this is an allocated time in the week that work for that subject will be set. You need to check your school **emails** thoroughly as this will tell you when work has been posted on **google classroom/Microsoft teams**.
- * All other sessions will be a form of '**Live**' sessions whether directly being taught or a pre-recorded session by your classroom teachers. Again, you will receive emails to invite you to join these sessions.
