FRIDAY 23RD APRIL		DUTY LEADER MR BRINKLEY

### THE SCHOOL ALLOTMENT

The school allotment will be opening on Thursday 22nd April. There will be plenty of opportunities to plant or help with the building works and Matt and the Climate Committee would love to see you. It's open to all year groups and you will be put into teams within the garden. There is even an indoor eating/seating area if you would like to bring your lunch. The allotment is opposite the canteen, behind the ICT rooms. Please see Mrs Glaister in Room 23 if you have any questions.

### SAIL FRANCE

Please note there is a questionnaire on the Group Facebook Page and also on the School Website (Menu - Parents - Sail France) regarding the trip this summer. I would be grateful if responses could be completed by Wednesday 21st April. Thank you.

Mr Somers
