### LATERAL FLOW TESTING AT HOME

Please see attached to this Bulletin a letter about lateral flow testing at home and a privacy notice.

### HAIR COLOURING AND UNIFORM

Some youngsters have returned from lockdown with unusual hair colourings and compromised uniform. This side of the Easter holidays, we are prepared to show some latitude with this. However, after Easter we do expect a return to normal hair colour and proper uniform. Thank you in advance for your support with this.

### MEDICINES IN SCHOOL

May we remind parents that the only medicines that can be stored in school are those given on prescription. If your child needs to take prescription medication during the school day, we require this to be in its original packaging from the pharmacy with the original printed directions on the side.

The school does not and cannot store regular painkillers or distribute them by parental request. Please do not send in painkillers to be given to your child unless prescribed by your GP. Thank you.

### **YEAR 9 PARENTS' CONSULTATION**

The usual Year 9 Parents' Evening will not take place this year due to Covid restrictions. Obviously, parents cannot meet with teachers in school. Instead, parents will receive a phone call from a teacher to discuss their child's progress. These phone calls will take place during the week beginning 12th April. Parents will be contacted before this date to arrange a convenient time for the phone call.
